Boat Ramp Updates

Managed by Carl Harding

Thank you Chelsea Beach residents in the continued effort to keep the trash cleared at the boat ramp! We have one of the best boat ramps in the County.

Please continue to help keep the grounds cleared of trash, lock all gates and replace the chain.

Only residents who purchase keys are allowed access to the ramp. The provided window sticker must be displayed at all times.

Need a boat ramp key? Complete the boat ramp application found on our facebook page under 'files'

We're Stronger Together!
