You may also purchase your CBRA membership and boat key at the END of the MEETING (to avoid disruption) provided you supply the proper documentation as required above.

NOTICE: Obtaining a boat ramp key is a privilege – don't lose it by not following the rules! Some boaters are deliberately not locking the boat ramp locks, and recently some parents are giving their key to their children to play on the pier. Both of these actions violate the rules and create safety hazards by not restricting children and unauthorized boaters from using the pier & ramp. Boaters, please lock open locks and report information to Judy Bart, President at 410-429-0606 for follow up. Thanks!

Boaters are encouraged to attend the CBRA quarterly meetings.
